

## Viewing webpages in mercury.swin.edu.au

### Procedure

1. Browse the internet with **Firefox** or an equivalent web browser.

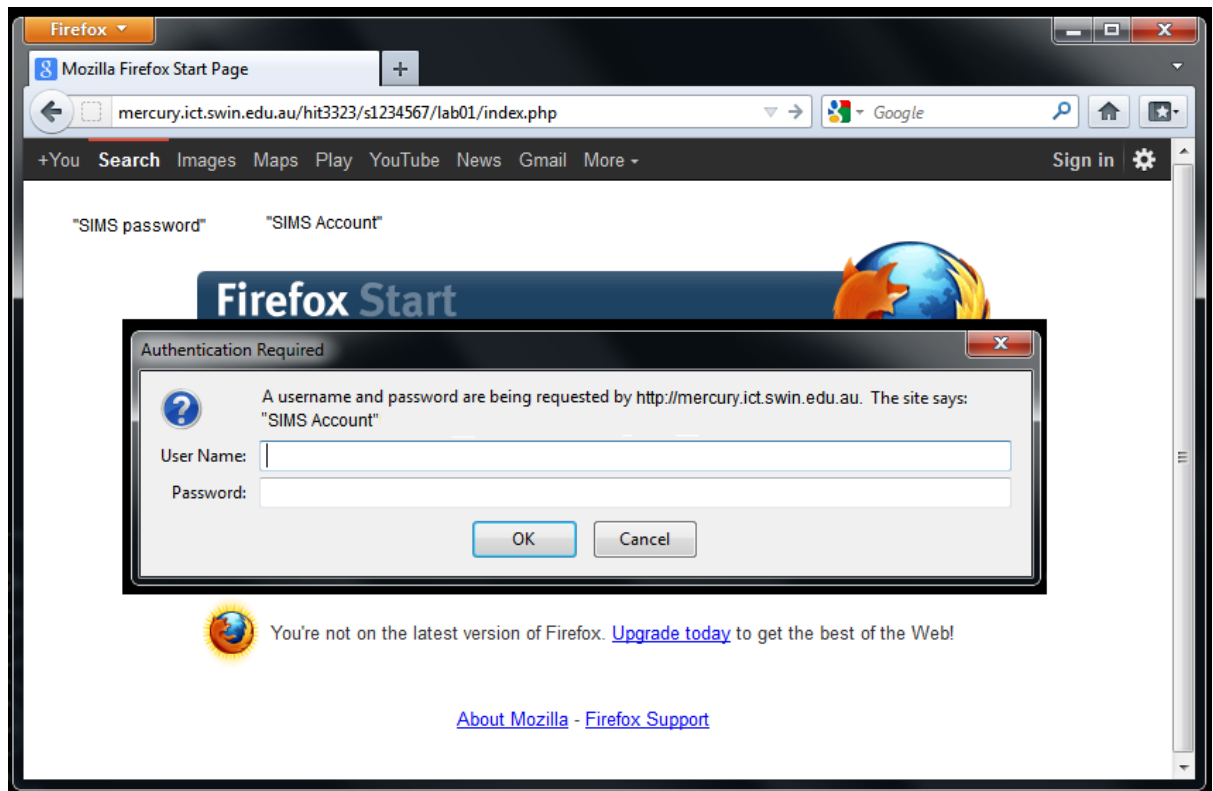

2. Enter your personal mercury URL in the address bar:

**mercury.swin.edu.au/<yourUnit>/s<your\_7\_10\_digit\_SID>/<path>/<filename>**  
eg. mercury.swin.edu.au/cos10011/s1234567/lab01/mystudy.html

3. Enter your **SIMS** Account username
4. Enter your **SIMS** password

5. You should be able to browse your web page.  
(In this example screenshot, to an "index.php", page that is located in a lab01 folder under `htdocs` on the mercury server.)
